CAMPAIGN GUIDE
2019 - 2020
Dear Employee Campaign Manager,

Thank you for joining hundreds of other volunteers who educate, inspire and mobilize their workplace in giving back and making a difference.

This year marks the 95th anniversary for United Way of Miami-Dade. This is more than just candles on a cake for them; this is a celebration of 95 years of empowering the most vulnerable in our community.

As your organization’s United Way Employee Campaign Manager, you are the critical link between United Way and your colleagues. Your leadership will help strengthen our community by supporting United Way and its efforts to build a stronger community through:

• **EDUCATION:** helping children and youth reach their full potential
• **FINANCIAL STABILITY:** helping all families pave a path to financial independence
• **HEALTH:** helping everyone lead full and productive lives

This is your guide to proven best practices, tools and online resources that will make your campaign even more successful. And remember, your United Way representative stands ready to help you in any way.

Thank you for being a game-changer, a difference-maker. Thank you for joining our team as we fight for the 6 in 10 households in our community who are struggling every day to get by. We look forward to working with you on this year’s campaign.

Sincerely,

Frank Gonzales

We fight for the education, financial stability and health of every person in our community.

Here are just a few examples of how we do what we do:

- **Research** the needs of our community
- **Partner** with organizations and individuals
- **Invest** in quality programs that create lasting, sustainable and measurable change
- **Advocate** for policies that improve lives
- **Engage** the community in building a stronger Miami
RUNNING YOUR CAMPAIGN

As an Employee Campaign Manager (ECM), you have the unique opportunity to harness the generosity, talent and energy of your workplace to give back to our community in so many ways.

5 STEPS TO RUNNING A SUCCESSFUL CAMPAIGN

1. ENERGIZE
Recruit a strong team to lead your United Way campaign.

2. INSPIRE
Share the United Way story.

3. ENGAGE
Connect employees to our work and show them how they can ensure a better future for their community.

4. ASK
Ask everyone to give.

5. THANK
Thank everyone for giving.
IDENTIFY CLEAR AND MEASURABLE GOALS

Goals inspire! Start with the most important goal: the positive impact your successful campaign will have on our community

- Set an organization-wide fundraising goal
- Connect your campaign to real results
  - For example, for every $1,000 dollars raised, a full year of tutoring is provided for a student in need

There are lots of examples like this. They can be found here: What we fight for or What your money buys

SELECT A STRONG CAMPAIGN TEAM

Your best team will have broad representation from all departments and levels. Find employees who are motivated, vocal and natural leaders who can mobilize others to get involved. Other tips on creating a strong team include:

- Get an executive to join the team to help secure resources
- Urge team members to set goals for their departments and assist in deciding how best to engage peers
- One size doesn’t fit all - teams can be comprised of any number of people
- Establish clear roles and responsibilities for each team member

INVOLVE LEADERS

Don’t hesitate to ask your executives to get involved. They can provide the financial and human resources for you to plan the very best campaign. They also set a great example for others to follow.

- Ask your executives/department heads to set aside 5-10 minutes for a United Way speaker at management and staff meetings
- Invite them to make their personal gift and corporate commitments prior to your campaign launch
- Ask them to visibly support the campaign via email and by speaking at kickoffs and events
- If your workplace includes union members, invite union leaders to participate and provide their support as well
LEARN ABOUT THE WORK UNITED WAY DOES

• Get familiar with some of the programs United Way helps fund
• Tour United Way’s program sites that showcase the impact we are making
• Host a group volunteer activity for employees to gain perspective on how their gift will be put to work

SHARE UNITED WAY’S STORY

One of the most powerful parts of the campaign is immersing your employees in the important issues that face our community. United Way representatives can lead your employees through interactive simulations that really bring to life the needs and challenges of our community and how United Way is addressing those needs. Other ways to share the work of United Way with employees include:

• Sharing some of United Way’s videos – Derek, Jessica, Jorge and Filiberto
• Demonstrating key issues that impact our community by scheduling activities such as:
  • tours
  • interactive projects/drives
  • volunteer projects

ENCOURAGE COLLEAGUES TO GET INVOLVED

It’s a simple equation. The more people that sign up, the bigger the difference you will make and the more you will have to celebrate. Aim high and find fun and creative ways to engage your colleagues.

• Check out our FUNdraising ideas from other innovative workplace campaigns
• Create teams to encourage friendly competition and boost morale
• Measure participation and giving regularly and promote progress
• Make your gift first - your leadership and commitment will inspire others to join you
ESTABLISH A COMMUNICATIONS AND EVENT CALENDAR

Keeping team members abreast of all the ways you and United Way are fighting for a stronger Miami is essential to a successful campaign. Here are a few ways to drive that message home:

• Make use of United Way’s archive of informative videos
• Share our What we fight for facts with employees throughout the campaign as well as information from our What your money buys document to highlight the impact of donor contributions
• Feature contributors and volunteers from your organization who are involved with United Way
• Provide a link to unitedwaymiami.org on your Intranet so individuals can delve deeper into our work
• Create a calendar of events that starts with a campaign kick-off where goals and activities are announced and ends with a campaign celebration. There are many ways to involve your employees in the campaign. Work with your United Way representative to determine what fits best in your workplace
• Advertising events and campaign dates early, often and everywhere will make a difference. Whether it’s a poster in the breakroom, speeches at staff meetings, inspiring emails or messaging on your office Intranet, United Way can provide you with all the tools you need

INVOLVE ORGANIZED LABOR

Don’t hesitate to involve organized labor in your campaign. They can bring organization and human resources to help you plan the very best campaign. Union labor can also set a great example for others to follow.

• Ask union leaders to set aside 5-10 minutes for a United Way speaker at union meetings
• Ask union heads to visibly support the campaign via email and by speaking at kickoffs and events

INVOLVE YOUR UNITED WAY REPRESENTATIVE IN ALL ASPECTS OF YOUR CAMPAIGN

• Tap into a vast wealth of talent, expertise and resources by calling on United Way representatives to inspire your team and assist
PROMOTE UNITED WAY GIVING COMMUNITIES

Highlight United Way Giving Communities such as our Tocqueville Society, Women United, Young Leaders, LINC and Continue Untied as well as our year-round volunteer opportunities.
Encourage your organization’s leadership team to host a special thank you gathering for your leadership-level donors throughout the company.

MOTIVATE COLLEAGUES TO INCREASE THEIR GIFTS

Encourage colleagues to consider increasing their gift by 5-10%. Ask those who gave $500 or more in the past to consider a Leadership Gift ($1,000 and up).

ASK EVERYONE TO GIVE

The number one reason people do not give is because they are not asked. Please ask everyone. United Way believes that giving is a personal decision. Make sure that everyone has the opportunity to give by supplying information about how United Way changes lives and how each contribution drives our mission forward.
FIND A SPECIAL WAY TO SAY THANK YOU

As a United Way ECM, saying thanks is the most important job you have. And a thank you card or any small token of your gratitude goes a long way to achieve that.

CONTINUE YEAR-ROUND ENGAGEMENT

Keeping your team connected throughout the year is key. We offer volunteer activities for individuals and teams throughout the year as well as social and networking events for everyone.

- Publicize United Way’s year-round events calendar and volunteer opportunities
- Participate in the 9500 for 95 Challenge: We are recruiting 9,500 volunteers for 95 volunteer projects throughout our anniversary year in honor of United Way turning 95. Give an hour. Give a day. Every minute counts in our fight for a stronger Miami. For more information, visit volunteermiami.org
