UNITED WAY OF MIAMI-DADE

2018 - 2019 ANNUAL REPORT

Fighting for the health, education and financial stability of every person in our community.
MISSION
Building community by helping people care for one another.

VISION
We will have a caring community strengthened by its diversity and compassion. United Way will be seen as a catalyst in building community by bringing hearts, minds and resources together.
Dear United Way friends,

This year, our United Way of Miami-Dade reached a special milestone. We celebrated our 95th anniversary and to us, it is more than candles on a cake. It represents 95 years of service and impact in our community.

Throughout our history, we have been an enduring force for good and as Miami has grown and changed so has our United Way – evolving to respond to our community’s emerging needs and transforming people’s lives. This still holds true today.

We do this by working alongside organizations, businesses, other nonprofits, government, civic and community leaders as well as volunteers – to improve the education, financial stability and health of all our neighbors and positively impact our local economy.

We have convened people from all walks of life to impact change, we have helped individuals and families in their time of need, and, most importantly, we have continued to build community by helping people care for one another.

Throughout the pages of this annual report, you will see how the power of community transforms lives and delivers results – from empowering girls and women to creating a platform for small businesses to “do good while doing well” to providing opportunities for volunteers to give back.

As we look forward to the next 95 years, we are excited to continue our work with you by our side, building on the successes of the past and seizing the opportunities that lie ahead. Together, there is no limit to what we can accomplish.

We are honored and humbled to guide this extraordinary community treasure, our United Way, to even greater heights.

With gratitude,

Maria C. Alonso Carlos A. Migoya
President & CEO Board Chair
OUR WORK

MEET ALICE. Our ALICE families – Asset Limited, Income Constrained, Employed – make up 40 percent of all Miami-Dade households. These are hardworking members of our community and, although they are employed, they are struggling to cover basic needs like housing, child care, health care, food and transportation. Add to that another 19 percent of households in poverty and we have a total of 59 percent of households in our community struggling to get by each and every day.

To create economic opportunity, United Way of Miami-Dade’s work is focused on education, financial stability and health – the building blocks for a good life. That’s because we know that children do better in school and in life when they have access to quality education; families are more financially secure when they have the skillset to land and keep good jobs; and everyone has a shot at a more productive life when they have access to affordable, quality health care.

OUR WORK IN EDUCATION

... helps prepare children to enter school ready to learn, to remain socially and academically engaged in school, and to graduate on time and be college- or workforce-ready.

OUR WORK IN FINANCIAL STABILITY

... empowers hardworking individuals and families with the tools, training and opportunities to prosper economically, including everything from financial coaching to employment services to debt management and asset-building assistance.

OUR WORK IN HEALTH

... ensures access to health care services and healthy lifestyles that create physical, mental and emotional well-being for all — from babies to older adults.
2018 - 2019 NEW INITIATIVES

At United Way, we are constantly evolving to meet the emerging needs of our community. In the past year, we collaborated with community leaders and volunteers to launch new programs, expand our reach and empower individuals.

Small Business United
Small businesses are the backbone of Miami-Dade's economy, employing 53 percent of the county's workforce. As a result, we launched Small Business United to build a powerful network of philanthropic small businesses who are convening, sharing insights and participating in service projects to benefit the communities they serve. As members, employers can create a personalized corporate social responsibility plan that meets their needs. Employees of the participating small businesses will receive access to a wide range of United Way services and funded programs, in addition to seminars for professional growth.

VolunteerMiami
United Way's new community service volunteer portal is where service-oriented citizens, committed to giving back, can find a vast array of volunteer opportunities organized throughout the county to meet diverse interests. The portal also serves as a hub for nonprofits to engage and recruit volunteers who are passionately committed to their causes and can find volunteer opportunities just a click away.

Women United For Our Future
As women continue to drive social change in communities across the globe, we launched Women United For Our Future – an endowment fund to secure much-needed funding for programs supporting the education, financial stability and health of women and girls. Lifelong volunteer and philanthropist Jayne Harris Abess, her daughter Ashley and daughter-in-law Taylor, made a $100,000 lead matching gift over the next two years to secure the launch of this initiative. Women United represents a dynamic group of 2,700 women who are committed to fighting for a stronger Miami today and for future generations.

EDUCATION
Helping children and youth achieve their full potential

In this past year, United Way and our impact partners made an impact on the lives of 25,394 children and youth.

Here is how we made a difference:

EARLY EDUCATION
Our United Way Center for Excellence in Early Education

STRONG FOUNDATIONS AND SCHOOL READINESS
Trained 656 educators resulting in 5,831 hours of professional learning which impacted the lives of 10,583 children in 256 programs

SCHOOL-AGE EDUCATION
United Way, through our impact partners, provided 14,811 students in 34 programs with the resources needed for school success.

IMPROVED ACADEMICS
6,799 students received literacy-based lessons, homework assistance and tutoring resulting in 83% of those measured in literacy improving their reading skills

IMPROVED SCHOOL ENGAGEMENT
2,247 students participated in violence prevention, risky behavior, self-regulation or related interventions resulting in 88% demonstrated improvement in conduct or effort toward grades and attendance

IMPROVED PREPAREDNESS FOR POST-SECONDARY SUCCESS
1,643 students received post-secondary prep and support resulting in 89% increased knowledge of post-secondary readiness
PUSHING BOUNDARIES, SETTING NEW RECORDS
Our United Way Center for Excellence in Early Education, Demonstration School, Educare of Miami, received high marks from two prestigious national organizations for delivering transformational results through our Head Start and Early Head Start-Child Care Partnership programs. Bellwether Education Partners, a national nonprofit focused on education reform, named our Center's Demonstration School one of the top five Head Start programs in the nation; and the Bipartisan Policy Center, a Washington, D.C. think tank, praised our Center's Early Head Start initiative for tailoring high-quality programming to meet local needs. These programs help us ensure that children in underserved communities have the best possible start to succeed in school and in life.

YOUTH INSTITUTE’S AGENTS OF CHANGE
Empowering at-risk local youth to become lifelong community advocates and agents of change is at the core of United Way Youth Institute. The yearlong program selects a group of underrepresented and high-promise high school students, and helps them with career and college exploration and introduces them to community challenges and service. Last year, 19 Youth Institute fellows moderated a Q&A panel on homelessness, where leaders from Lotus House, Miami-Dade County Homeless Trust, Miami-Dade County Public Schools, Miami Police Department and Baptist Hospital participated in the discussion. The fellows also travelled to the village of Kanambu in the Ecuadorian Amazon rainforest, where they worked to improve conditions for the village residents, including clean water and sanitation.

MEET MARCELLA
At five months pregnant with Lila, Marcella became a widow. When the time came for her to return to work, she needed to make the tough decision of where to place her baby girl during the day. That is when Marcella came across United Way’s Early Head Start-Child Care Partnership (EHS-CCP) program at Lillie C. Evans K-8 Center. Lila joined the infant classroom and immediately adapted to her new surroundings, affording Marcella peace of mind. She is now an interventionist at Brownsville Middle and has enrolled in courses to continue her education. A role model for other parents, Marcella finds the time to volunteer at Lila’s classroom and was elected to serve as president of the parent committee. EHS-CCP has provided mom and daughter an opportunity to a brighter future.

“Just the peace of mind that she’s okay so I can do things I need to do; I can go to school and work without a problem.”

Annual Report 2018-2019
FINANCIAL STABILITY
Helping individuals and families pave a path to financial independence

In the past year, United Way and our impact partners empowered 20,785 individuals and families with the skills and resources to set them on the road to financial stability.

Here is how we made a difference:

**ACCESS TO JOBS**

10,341
unemployed and underemployed participated in training and placement programs

**FINANCIAL MANAGEMENT**

3,041
individuals learned how to budget, manage and save money

**HOMELESSNESS PREVENTION**

1,200+
individuals received shelter

500,000+
emergency meals provided

**VOLUNTEER INCOME TAX ASSISTANCE (VITA)**

United Way, together with our partners, helped low-income individuals and families receive free tax preparation services by IRS-certified preparers and claim additional tax credits for those who qualified.

9,500+
tax returns filed

$12 million
in refunds

$4 million
in Earned Income Tax Credits
MEET JESSICA
For most of her life, Jessica was homeless. She slept in cars, metro trains and abandoned buildings. When she was old enough to work, she got a part-time job at Publix, a United Way corporate partner, and asked her manager where she could find assistance. That is when we stepped in. Through our United Way Center for Financial Stability, Jessica was able to find an apartment, receive emergency assistance to help her pay for first month’s rent, food and utilities. Jessica finally has a place she calls home.

“It was such an amazing feeling to say, ‘I have a place that’s mine.’”

FINANCIAL RESILIENCE FOR ALL
Our United Way Center for Financial Stability provides working individuals and families with a full range of direct services and support – from financial coaching to free tax preparation and benefits enrollment to employment assistance and credit counseling – to help secure their financial future. With Centers strategically located in North and South Dade operated by Branches, and at our main campus, United Way Empowerment Building, we work with numerous partners to provide access to comprehensive financial stability services. Bank of America is the founding partner.

UW@WORK
As recipients of a $500,000 Citi Foundation grant, United Way launched UW@WORK with Jackson Health System, powered by Citi Foundation – our first employer-based financial wellness program bringing our work in financial stability to one of the community’s largest employers. UW@WORK is operating at three Jackson campuses: north, south and at the main site and is providing services in the areas of financial coaching, financial education and tax preparation assistance. Just this tax season, UW@WORK, with our support of the Volunteer Income Tax Assistance (VITA) program, filed 44 tax returns totaling nearly $100,000 in refunds, with the average refund totaling $2,000.

EMPOWERING WOMEN
United Way Center for Financial Stability was awarded a grant from JPMorgan Chase to empower women through financial capability. The program helps working women get their finances in order, reduce or eliminate their debt, and build savings. In Miami-Dade, 84 percent of single female-headed households with children are in, or on the verge of, poverty. Therefore, providing women with the tools to become financially resilient is not only key to their families’ well-being, but also to the success of our community and economy.
HEALTH

Helping people lead healthier lives

In the past year, United Way and our impact partners helped 44,537 individuals with health-related issues.

**MEET FILIBERTO**

In 2011, after his wife’s passing and the sudden loss of his daughter-in-law three weeks later, Filiberto stepped up to help his son raise his boys, 4 and 5 years old at the time. Along the way, Filiberto found himself needing some help of his own in order to be able to continue to care for his grandsons. He then reached out to United HomeCare Services, a United Way-funded program that provides in-home services to older adults, such as helping with household chores like cooking, cleaning and other essential tasks. Aware of how hard Filiberto worked to help his son and grandsons, his counselors at United HomeCare nominated him for United Way Golden Wishes, a United Way initiative that fulfills long-held wishes of older adults. As a winner, Filiberto was awarded a four-day cruise – his first vacation in over a decade.

“I don’t know how to thank United Way and United HomeCare … they changed my life.”

**SENIOR PROM WITH A TWIST**

Our youngest volunteers, United Way LINC members, hosted a senior prom for the abuelitos and abuelitas of Southwest Social Services, one of our 52 funded agencies, complete with DJ, dancing and dominoes – and, of course, pastelitos and cafecito. The heartwarming event reunited LINC millennials with this group of “young at heart” older adults who continue to enjoy independent and active lives.
PUBLIC POLICY

We engage decision-makers and policy leaders to address important community needs and leverage the impact of our investments.

For eight consecutive years, Florida's 29 United Ways have adopted a Consensus Legislative Agenda to address public policy priorities across the state. The agenda strengthens our collective ability to move the needle on key policy issues important to our system and to the communities we serve. Topping the list of the 2019 Consensus Legislative Agenda were policies in the areas of education, financial stability and health that would help Florida's ALICE families – hardworking individuals who struggle to pay for their basic needs.

EDUCATION

Increasing accountability in early education

Our United Way continues its commitment to support high-quality early learning opportunities so all children have the best possible start in school and in life.

United Way, along with our partners at The Children's Movement of Florida, The Children's Trust, Early Learning Coalition and others, was part of a broad coalition of state and local advocates that successfully supported the passage of Florida State Representative Vance Aloupis' bill to strengthen early learning professional training and create career advancement opportunities for early learning professionals.

FINANCIAL STABILITY

Affordable housing

This was the first year Florida United Ways adopted affordable housing as a priority for the 2019 Consensus Legislative Agenda. Working closely with our state and local partners, United Ways strongly advocated increasing access to affordable housing and restrict the use of Sadowski Affordable Housing Trust Funds solely for its intended purpose.

HEALTH

Expanding access to health care

Together with our state partners, we worked to improve the lives of our community's most vulnerable citizens resulting in increases to funding for community-based services in caregiving for older adults.

In response to our state's opioid epidemic, we advocated for an increase in funding for behavioral health and access for substance use prevention services, care coordination and treatment.
SUPPORTING VETERANS

In response to our work with Mission United, Florida's United Ways adopted veteran issues as a priority in the Consensus Agenda addressing challenges that U.S. Military veterans face, such as health (including behavioral health), affordable housing and employment.

We supported the passage of a bill providing alternative treatment to support veterans suffering from post-traumatic stress disorder or traumatic brain injury and promote different paths to wellness. The bill also requires these services be available to veterans attending state colleges.

ALICE Report launch
United Way Public Policy Committee members (l-r) Fred Stock, United Way Board Member Baldwyn English, Board Member and Committee Chair Paul Imbrone and Board Member Rudy Moise in Tallahassee for the ALICE Report launch and to advocate for the 2019 Legislative Agenda.

Capitol Days
ALICE champion and Florida State Representative Holly Raschein (seated, 2nd from left) joined by Women United leaders from Miami and across the state for the Second Annual Women United Summit and Capitol Days – a two-day blitz held in Tallahassee to advocate for our Consensus Legislative Agenda and Florida’s ALICE families.
VOLUNTEER ENGAGEMENT

BY THE NUMBERS ... Volunteers making an impact

119 EVENTS  5,041 VOLUNTEERS  21,850 HOURS  $555,646 IN VOLUNTEER TIME*

HERE IS HOW WE MADE A DIFFERENCE:

9500 for 95 Challenge
Our 95th birthday celebration kicked off with a 9500 for 95 Challenge, a call-to-action to local residents to join our fight for a stronger Miami through volunteerism with the goal of recruiting 9,500 volunteers for 95 service projects during our yearlong anniversary celebration.

Volunteers empowering community
In Miami-Dade, 58 percent of households struggle to make ends meet, turning back-to-school a tough time. United Way collaborated with Communities In Schools to fight that. Volunteers came together and assembled more than 200 backpacks for distribution to Miami-Dade County Public Schools.

Just in time for the new school year
As part of Miami-Dade County Public Schools campaign, United Way raffles off a teacher’s lounge makeover among the schools that exceed their campaign goals. This year, we collaborated with Miami-Dade County and Commissioner Audrey Edmonson to create a unique space for teachers and staff at Liberty City Elementary School.

Giving back is the New Year’s resolution
Our mission – helping people care for one another – was never more evident than at the start of the New Year. More than 270 volunteers took part in numerous projects throughout the month of January. Starting with Martin Luther King Jr. Day of Service, when more than 130 members from Women United, Young Leaders and LINC rolled up their sleeves and got their hands dirty for a beautification project at Girl Scouts of Tropical Florida’s Camp Mahachee campsite. Simultaneously, 25 United Way volunteers participated in a service project with City Year Miami at Madison Middle School. MasTec employees created literacy kits to benefit our ReadingPals children and the Bilzin Sumberg Cares Project Day took place at Comstock Elementary School.

National Volunteer Week
More than 500 volunteers clocked in more than 1,500 hours at 16 service projects, having a total impact in excess of $39,000 in donated volunteer time. Throughout the week, we were able to forge 186 new relationships and introduce participants to United Way’s work.

Day of Action
United Way of Miami-Dade teamed up with American Red Cross, City of Miami and Miami-Dade County Office of Emergency Management to host a “Day of Action” to help prepare our community’s most vulnerable citizens for hurricane season. More than 145 volunteers assembled and delivered hurricane supplies kits to residents of Carrie P. Meek Manor, Town Park Village and other complexes.

*Based on the estimated national value of each volunteer hour at $25.43 by Independent Sector
YEAR IN REVIEW

EMPOWERING VETERANS AND FAMILIES
With a flag and plaque dedication honoring Miguel "Mike" B. Fernández for his unparalleled support and his own service to country, Mission United and United Way Center for Financial Stability officially opened the doors to its new home, United Way Empowerment Building. This one-stop hub serves to empower veterans with the tools and resources they need to continue to lead productive lives after leaving active duty. The Center also provides working families with a full range of services to set them on a path to financial independence.

RECORD-BREAKING BREAKFAST
Indra Nooyi, former chairman and CEO of PepsiCo, candidly shared career and life lessons as the keynote speaker at The 18th Annual United Way Women United Breakfast. One of only 25 women leading a Fortune 500 company at the time, and a mother of two, she encouraged a room of 1,200 women to “dream big but think about how you want to balance your life.” Guests also heard from mom Sandrell Apatira and daughter Rachel Mazyck, who shared their inspirational story, reminding us that it does take a village to raise a child. Chaired by mother-daughter duo Alicia Cervera Lamadrid and Alicia Lamadrid Paysse, the breakfast raised a record-breaking $400,000 and was presented by Leslie Miller Saiontz and Family.

HATS OFF
In recognition of nearly half a century of service, as president and CEO of our United Way from 1991-2017 and in leadership roles at other United Ways since 1973, Harve A. Mogul was presented with our highest honor, the Tocqueville Award for Outstanding Philanthropy. Throughout his career, he helped raise more than $2 billion and launched groundbreaking initiatives that have moved the needle on education, financial stability, health and disaster response. The reception was held at the home of Patricia and José Mas and was underwritten by Van Cleef & Arpels, Ed Ansin and Ocean Bank.

WISHES COME TRUE
Twenty-one older adults had their dreams become reality at our Golden Wishes celebration. On Giving Tuesday 2018, we doubled the impact of giving with the first $10,000 in gifts matched dollar for dollar thanks to United Way Board Member...
Dr. Rudy Moise and Comprehensive Health Center. Golden Wishes celebrates older adults living healthy, active lives and this year’s granted wishes ranged from playing with an orchestra, attending a Miami Marlins game, traveling and reconnecting with family members who live far away to writing a memoir of personal advice for grandchildren.

PROPELLING CHANGE
Inspire305, powered by United Way of Miami-Dade, returned for its second year bigger and stronger, continuing its support of innovative local nonprofits that propel change by addressing community needs. Following 5,600 votes cast by community members, Strong Girls Inc. won the $25,000 Grand Innovator Award to enhance academic support, gender specific programming, fitness and mindfulness, and ICU baby won the $10,000 Trailblazer Award which will be used to provide transportation stipends to low-income families with infants in the NICU.

SALUTING SELFLESSNESS
Five remarkable individuals were honored at our Annual Volunteer Awards Program for their selfless giving to making our community a better place. Our honorees include four:

- Florida State Representative Holly Raschein for her championing on behalf of ALICE families - hardworking members of our community struggling to cover basic needs;
- Thema Campbell of Girl Power, for providing a safe haven for at-risk young girls;
- Brent McLaughlin of Branches, for his fight to break the cycle of generational poverty;
- Community volunteer James E. Morgan III, for looking after the most disadvantaged citizens, in our community and abroad; and
- South Miami Senior Jazmin Neadle, adopted from foster care, founded a nonprofit to celebrate milestones in the lives of teenage boys and girls living in foster care.

EVENING OF ENCHANTMENT
The 20th Annual Mayor’s Ball, hosted by Miami-Dade County Mayor Carlos A. Giménez and Lourdes P. Giménez, brought together more than 800 community leaders to raise more than $1.1 million for United Way’s work. Presented by Related Philanthropic Foundation, and chaired by Carly and Steven Patterson, the event was a celebration of the long-standing partnership between Miami-Dade County and United Way.
SYMPHONY OF THE SEAS
More than 1,600 United Way friends and supporters were the first to experience Royal Caribbean International’s newest and largest ship, Symphony of the Seas, on a two-night cruise that raised $650,000 for United Way. Guests had the opportunity to attend the ship’s naming ceremony, a time-honored tradition filled with pomp and circumstance. Serving as honorary chairs were Constance and Miguel “Mike” B. Fernández; event co-chairs were Conchi and Tony Argiz and Carol and Ed Williamson.

$1.5 MILLION REASONS TO CHEER
Our four-day VeritageMiami extravaganza celebrated its 22nd year with more than 2,200 foodies and wine and beer aficionados in attendance, sipping and sampling. City National Bank served as presenting sponsor for the seventh consecutive year, with President and CEO Jorge Gonzalez and Melinda Gonzalez as chairs, helping raise $1.5 million. James Beard Award-winning chef Fabio Trabocchi of Fiola headlined the Interactive Dinner, wrapping up the year’s most successful event.

A CONCERT & CONVERSATION
A unique partnership between United Way and Peter Buffett brought us United for the Future: A Concert & Conversation with Peter Buffett as part of a nationwide multi-city tour to ignite new thinking and energy around complex social issues and engage community leaders more deeply in lasting change. The Miami visit included a private dinner at the home of Jayne and Leonard Abess, a tour of United Way Center for Excellence in Early Education; and culminated at Miami Dade College Wolfson Campus with a concert accompanied by stories about growing up in the Buffett family, his personal views on social issues and the importance of philanthropy.

HAPPY BIRTHDAY TO US
On April 24 United Way turned 95 and what a celebration! In addition to blowing out the candles at our Batchelor Campus, we hosted seven volunteer projects throughout Miami-Dade with six of our original partner agencies since 1924 – American Red Cross, Children’s Home Society, Jewish Community Services, Salvation Army, YMCA and YWCA. Ninety United Way staff and community members joined in the celebration, clocking in 174 volunteer hours in a single day.
IT’S A SLAM DUNK
This year’s Young Leaders B.Y.O.B.-“Build Your Own Brunch” hit a new high, raising more than $100,000. Nearly 400 up-and-coming young community leaders cooked classic brunch dishes guided by three of Miami’s most innovative culinary talents: chef Raymond Li of Palmar, chef Santiago Gomez of Tacology and Cantina La Veinte and Jarod Higgins, executive chef for the Miami Heat and AmericanAirlines Arena. Overlooking beautiful Biscayne Bay and the Miami skyline at the Arena’s Xfinity East Plaza, guests enjoyed brunch complemented with champagne, wine, spirits and freshly ground coffee.

LABOR LIVES UNITED
Labor colleagues and corporate partners took to the course at the International Links-Melreese Country Club for the Ninth Annual Labor Lives United Golf Tournament celebrating our partnership with organized labor. The tournament ended in a first four-way tie for first place among Biscayne Bay Pilots, Empire Realty, Federation of Public Employees and Transport Workers Union Local 568.
FINANCIALS

We take our role as stewards of contributor dollars very seriously. There is nothing more important than the trust our contributors place in us. We have institutionalized strict governance practices, which include volunteer oversight at every level, to ensure the highest standards of operational efficiency and effectiveness.

United way turns every $1 in unrestricted public support and revenues raised into $2.94 in direct community impact

Among the ways our United Way helps make Miami a more educated, prosperous and healthy community is by investing in 118 programs at 52 impact partners and 10 impact grantees that achieve measurable results. All program investment decisions are made by trained community volunteers from a variety of professional backgrounds, based on community needs, strategic objectives, programmatic outcomes, and agency governance and stewardship practices.

In addition to the investments listed below, some individuals chose to direct their gifts to a single agency. More than 800 nonprofits received support through the 2018 United Way campaign, bringing additional services to the people of Miami-Dade as well as in other communities.

SPECIAL PARTNERSHIPS

The following programs represent services that have been deemed to be essential for the functionality of the social services delivery system and/or the community’s ability to respond to emergencies. These are programs that may not fall into our education, financial stability or health impact areas but are supportive of the larger mission of United Way.

Disaster Cycle Services | American Red Cross of Greater Miami & The Keys
The American Red Cross’ Disaster Services program includes response, recovery and readiness activities such as mass care, client casework and assistance, disaster health and mental health services to meet disaster victims’ immediate needs and reduce the suffering of victims of natural and man-made disasters.

Foster Care Citizen Review | Florida Foster Care Review
Based on the concept of citizen review – using volunteers as independent monitors of the foster care system – Foster Care Citizen Review addresses both the need to help the courts with increasing caseloads and the need to involve communities in the care of foster children. Florida Foster Care Review (FFCR) recruits and trains volunteers to review and monitor cases of children in foster care during monthly Citizen Review Panel (CRP) hearings.

JCS Helpline Services | Jewish Community Services
The 2-1-1 information and referral line was created as a way to give communities an easy number to remember through which they can access valuable information about available services free of charge. Through needs assessments and referrals, community members and social service providers are connected to services such as education, employment, food, health care, housing, income support and counseling at any hour, even during times of crisis or disaster. Jewish Community Services assists callers 24/7, 365 days a year backed up by an extremely large database of community resources.

Residential 24/7 Emergency Youth Shelter | Miami Bridge
The Miami Bridge Residential 24/7 Emergency Youth Shelter program provides respite shelter and care to youth, ages 10 to 17, who run away from family situations characterized by abuse, neglect or domestic violence. In addition, the Department of Children and Families (DCF) and the child welfare system turn to Miami Bridge when no appropriate community-based homes are available to provide domicile for adolescents who have been removed from their homes or who are lingering in the system. The program serves nearly 400 children every year at their Central Miami-Dade and Homestead locations, providing 24-hour supervision along with crisis intervention, counseling (individual, group and/or family), health and wellness, and socialization in the community.
